HOLIDAY RECYCLING TIP

Set a box aside to collect the reusable ribbons, bows, and other package decorations.

- *Most gift boxes can be flattened and reused throughout the year for other items.*
- *Before you throw away or recycle all of those gift catalogs, take a minute to pick out the ones you don't want to receive anymore. Call their toll free numbers now and ask to get off of their list.*
- *If you bought a live Christmas tree be sure to plant it or consider donating it to a local school or nursing home to plant on their grounds.*
- *Did you get a new microwave, toaster, clock radio, toy, or coat? Consider giving away your old appliances, toys, games, or clothing to a local charity or thrift store.*
